## International partnership: Course-Source will distribute Cegos' e-learning solutions in the UK

**Cegos, a worldwide leader in training and development, and Course-Source, a leading e-learning provider, sign a partnership agreement under which Course-Source will distribute Cegos' e-learning modules to its clients in the UK.**

Under this partnership, Course-Source's customers will now have access to the [Cegos catalogue on Soft Skills](#) (including HTML5 courses localized in English). This premium content will be available to Course-Source's customers in the UK.

Founded in 2009, Course-Source specialises in working with commercial e-learning companies to deliver courses, create cross-selling opportunities and sells direct to end-clients, providing cost-effective e-learning solutions to the public sector and businesses of all sizes. They offer an online marketplace for organisations to easily find, evaluate and procure professional eLearning courses to be delivered via their own LMS on flexible and cost-effective procurement terms.

Cegos trains 250,000 people globally every year, in open or in-house courses. The Group has a comprehensive product range that extends from off-the-shelf courses to tailored solutions. Its online Catalogue on Soft Skills has 2 millions of learners per year and is distributed by +50 partners in the world. The Group also offers +100 certificate or diploma courses, independently or in partnership with universities and top educational facilities.

**Ken Wood, Managing Director of Course-Source**, explains: *"The Cegos product range is an excellent addition to our business course catalogue and offers our clients access to some of the best-of-breed in soft-skills eLearning and with full course localisation for our growing community of clients with global learning needs".*

**Pascal Debordes, head of Channels and Alliances at Cegos Group**, adds: *"We are really excited to start this new partnership with such a dynamic company as Course-Source. The British elearning market is one of the most mature: companies and individual learners ask for more quality and services. With this partnership, we will be able to address those demands by combining the unique benefits of the Cegos catalogue on Soft Skills and the quality of the services that Course-Source deployed on the British market."*

**About Course-Source**

Course-Source is a London based business formed in 2009 to bring to life a vision for a disruptive model of eLearning supply and procurement for large and small organisations alike. Course-Source brings deep technology expertise together with a collaborative and commercial focus in order to offer organisations a one-stop-shop for their eLearning content requirements that can be delivered through their existing investments in learning platform technologies.

**About the Cegos Group**

Created in 1926, the Cegos Group is a worldwide leader in training and development. The Group now runs its own operations in 11 European, Asian and Latin American countries. It is also active in over 50 countries through its network of partners and distributors, which are all leading training providers and top-tier technology experts.

With 1,000 employees and more than 3,000 partner consultants, the Group trains 250,000 people around the globe every year and generates sales of €200 million.

Cegos deploys a global offering, including turnkey and tailored training and development, operational consultancy, Managed Training Services and international training projects. Its "blended learning" approach aims to provide the most suitable and competitive learner experience, by combining multiple learning formats (classroom training, e-learning modules, videoconferences, webcasts, e-training programmes and more).
