## International partnership: Kallidus will now distribute Cegos' e-learning solutions on a global basis

**Cegos, a worldwide leader in training and development, and Kallidus, a leading provider of learning solutions, sign a partnership agreement under which Kallidus will supply Cegos' e-learning modules to its clients on a global basis.**

Under this partnership, Kallidus' customers will now have access to the Cegos Catalogue on Soft Skills (HTML5 courses available in 14 languages). This premium content will be available to Kallidus' customers worldwide.

Based in Great-Britain, Kallidus is an award-winning provider of integrated SaaS learning, performance, 360, recruitment and talent management technologies, bespoke e-learning content and best-in-class curated e-learning content packages. Kallidus supports people development (individuals and firms) and drives business transformation and performance improvements within public and private sector organisations of all sizes and all around the world. Kallidus is one of the fastest-growing, most exciting organisations in the human capital management marketplace.

Cegos trains 250,000 people globally every year, in open or in-house courses. The Group has a comprehensive product range that extends from off-the-shelf courses to tailored solutions. Its online Catalogue on Soft Skills has 1 million of learners per year and is distributed by +50 partners in the world. The Group also offers +100 certificate or diploma courses, independently or in partnership with universities and top educational facilities.

**Rob Caul, CEO of Kallidus**, explains: *"We are delighted to have signed a partnership agreement with The Cegos Group given their specialist expertise in providing best-in-class off-the-shelf e-learning content for professional skills and personnel development."*

**Pascal Debordes, head of Channels and Alliances at Cegos Group**, adds: *"We are particularly proud to partner with Kallidus, an award-winning supplier of learning and talent management solutions. The Cegos Group and Kallidus share the same vision of training, aiming to empower individuals and organizations to develop and improve their performance in a changing world. That is why we are pleased to combine our global presence and our premium content with Kallidus' top-notch solutions for learning and talent management."*

**About the Cegos Group**

Created in 1926, the Cegos Group is a worldwide leader in training and development. The Group now runs its own operations in 11 European, Asian and Latin American countries. It is also active in over 50 countries through its network of partners and distributors, which are all leading training providers and top-tier technology experts.

With 1,000 employees and more than 3,000 partner consultants, the Group trains 250,000 people around the globe every year and generates sales of €191 million.

Cegos deploys a global offering, including turnkey and tailored training and development, operational consultancy, Managed Training Services and international training projects. Its "blended learning" approach aims to provide the most suitable and competitive learner experience, by combining multiple learning formats (classroom training, e-learning modules, videoconferences, webcasts, e-training programmes and more).
