## International partnership: Kotivu.ng will distribute Cegos' e-learning solutions in Nigeria

**Cegos, a worldwide leader in training and development, and Kotivu.ng, a company within the Brimass Group specialized in business improvement and leadership through Learning and Consulting, signed a partnership agreement under which Kotivu will distribute Cegos' e-learning modules to its clients in Nigeria and West Africa.**

Under the partnership, customers of Kotivu.ng will now have access to the modules of the *e-learning Solutions by Cegos* catalogue (215 online training titles available in 18 languages). This premium content will be available to Kovitu's corporate and SME clients in Nigeria.

Kotivu is part of Brimass Group based in Lagos (Nigeria), founded in 2011 to provide leadership, strategies, support, education, and guidance to businesses throughout each stage of their development. The company provide support in particular through its Learning and Development Academy, Business Advisory and Consulting Services, and also Capital and Investment Brokerage Services. Its training methodology entails workshops and seminars with case studies from organizations across the globe, also exercises and activities which are applicable in various industries and organizations. Its solutions are deployed by a team of highly skilled professionals in specialized fields with loads of industry experience in different competence areas.

Cegos trains 250,000 people globally every year, in open or in-house courses. The Group has a comprehensive product range that extends from off-the-shelf courses to tailored solutions. Its "multi-modal" approach uses all the currently-available learning formats. The Group also offers 103 certificate or diploma courses, independently or in partnership with universities and top educational facilities.

**Stephen Ojji, CEO of Kotivu-LMS Limited**, explains: *"The first thing you will notice about Kotivu.ng is that it is a robust system and we thrive on our value proposition that it is cost effective for individuals and also for corporate organizations as well as Small and Growing Businesses. While it offers a great opportunity because it is a great learning system, the value goes beyond the learner but also the extent of its value has a multiplier effect on the economy at large – of a learning economy, a better economy".*

**Pascal Debordes, head of Channels and Alliances at Cegos Group**, adds: *"We are excited to partner with Kotivu, a company that sets the pace in the Nigerian e-learning market, a booming country with a huge appetite for learning. Kotivu.ng continually makes an effort to bring innovative products and services to its market since 2011. Our new partner will be now able to use our library of off-the-shelf e-Learning modules to win new market share."*

**About the Cegos Group**

Created in 1926, the Cegos Group is a worldwide leader in training and development. The Group now runs its own operations in 11 European, Asian and Latin American countries. It is also active in over 50 countries through its network of partners and distributors, which are all leading training providers and top-tier technology experts.

With 1,000 employees and more than 3,000 partner consultants, the Group trains 250,000 people around the globe every year and generates sales of €197 million.

Cegos deploys a global offering, including turnkey and tailored training and development, operational consultancy, Managed Training Services and international training projects. Its "blended learning" approach aims to provide the most suitable and competitive learner experience, by combining multiple learning formats (classroom training, e-learning modules, videoconferences, webcasts, e-training programmes and more).
