Cegos partners with PMI for distribution of e-learning solutions

Cegos, a worldwide leader in training and development, continues to widen its network of distributing partners by signing a new global partnership agreement with the Project Management Institute (PMI). With this agreement, PMI's 2.9 million members will have access to online learning modules from the *e-learning Solutions by Cegos®* catalog at PMI.org.

Project Management Institute is the world's leading not-for-profit professional membership association for the project, program and portfolio management profession. PMI advances careers, improves organizational success and further matures the profession of project management through its globally recognized standards, certifications, resources, tools academic research, publications, professional development courses, and networking opportunities.

As an existing PMI Registered Education Provider (R.E.P.), the Cegos Group is already well positioned to provide training to project professionals at all experience levels. The new partnership will give PMI members access to 79 Cegos learning modules, offering a variety of new opportunities for skills development and accrual of Professional Development Units (PDUs).

Pascal Debordes, head of Cegos international partners' network, adds:

"PMI is an unmatched global resource for project management professionals. We are particularly proud of this new global partnership, which enables Cegos to strengthen its leadership in the e-Learning catalog market. This market is booming and the qualities of Cegos' Catalog are recognized by international e-learning leaders, whether they are editors or distributors of solutions. It is a wonderful recognition for our content and our experts!"

This new alliance reinforces the global presence of Cegos' international partners'. Formed by e-learning and training specialists and international technology leaders, this network enables Cegos to deploy and commercialize its e-learning solutions to all the companies and organizations, both locally and globally. Among all of its e-learning offerings, its *e-learning Solutions by Cegos®* catalog now includes 215 online courses available in 18 languages.
