

Press release  
Paris, 17<sup>th</sup> November 2014

## **FuturSkill Digital, new global partner of Cegos for the distribution of its e-learning solutions**

**FuturSkill Digital, first French software solution for talent management, brand of ManpowerGroup, and Cegos, worldwide leader in training and development, sign a global partnership agreement.**

**FuturSkill Digital will offer to its clients the entire catalog *e-learning Solutions by Cegos* (215 online training available in 17 languages). With this new global partnership, Cegos, backed by a dense territorial network, strengthens its commercial presence abroad.**

**FuturSkill Digital** is now the first French software integrated solution for digital training and talent management. The company especially edits the Syfadis Suite (LMS) platform for training, assessment and skills management. More than 300 organizations rely on the LMS Syfadis Suite to deploy digital trainings whether it is e-learning, face to face or blended learning. They also lean on it to evaluate and manage their talents based on the cloud or internalized.

Cegos trains each year 220 000 people in the world, in open or in-house courses. The group deploys a global offer which extends from off-the-shelf course to bespoke solutions. Its “multimodal” approach associates every available learning format. The group also offers, alone or in partnership with universities and top educational facilities, 90 certificates or diploma courses.

**Pierre Berthou, General Director of FuturSkill Digital explains :**

*“With this partnership, FuturSkill Digital broadens its digital training offer and presents to all its clients an international offer of content on shelf to develop people soft skills in the areas of Management, Leadership, Commercial, Communication, Procurement, Finance and much more. The notoriety of Cegos Group, the pedagogical quality of its content, the extent of the catalog offer and the internationalization of its modules make it a considerable advantage on the e-learning market. Our ambition is to answer to the issues of our clients who are looking for an LMS integrated solution and content on shelf.”*

**Pascal Debordes, head of Cegos international partners’ network, adds:**

*“The Cegos Group accelerates its development abroad with the signature of this 10th distribution partnership since the beginning of 2014. This alliance with FuturSkill Digital is excellent news for the*

*Cegos Group: the quality of its solutions and its multiple connections with ManpowerGroup make it a major partnership for the distribution of our e-learning solutions.”*

**About FuturSkill Digital**

ManpowerGroup brand dedicated to Learning and Development, FuturSkill offers innovative solution to develop and assess talents.

FuturSkill solutions rely on the combination of two know-hows:

- FuturSkill Training specializes in the development of blended learning programs and Training Process Outsourcing (TPO) services
- FuturSkill Digital offers software solutions for Learning, Evaluation and Talent management

FuturSkill Digital is the leading cloud based and internalized LMS provider in France.

Syfadis Suite LMS solution is a software suite to assess talents, deliver and analyze training, develop people skills and performance. Over 300 leading organizations rely on Syfadis Suite in various industry sectors to deliver digital learning solutions and manage their talents.

**About the Cegos Group**

Since its creation in 1926, the Cegos Group has developed into Europe's leading player and one of the world's top providers of professional and continuing training. Cegos currently employs 1,200 people and operates in over 30 countries worldwide through its subsidiaries and partner distributors. The Group generated sales of €158,5 million in 2013.

Its consultants' expertise covers every area of skills management and development, and enables the Group to roll out large-scale training programmes in France and worldwide.

Backed by this deep knowledge of the corporate world, Cegos trains 220,000 people around the globe every year, in open or in-house courses. The Group has a comprehensive product range ([cegos.fr](http://cegos.fr)) that extends from off-the-shelf courses to bespoke solutions. Its 'multimodal' approach draws on all of the currently-available learning formats. Alone or in partnership with universities and top educational facilities, the Group also offers 90 certificate or diploma courses.
