International partnership: Webanywhere will distribute Cegos' elearning solutions on a global basis

Cegos, a worldwide leader in training and development, and Webanywhere, expert elearning solutions provider, sign a partnership agreement under which Webanywhere will distribute Cegos' e-learning modules to its clients worldwide.

Under this partnership, Webanywhere's customers will now have access to the [Cegos catalogue on Soft Skills](#) localized in 19 languages. This premium content will be available to Webanywhere's customers on a global basis.

Founded in 2003 as a learning technology company providing solutions to the education sector, [Webanywhere](#) has diversified to support lifelong learning across the public, private and third sectors. It now employs over 150 staff, and have operational bases in the UK, US and mainland Europe. The company is now an official Moodle Partner, a Totara Platinum Partner and in 2012 was appointed as a supplier to the Crown Commercial Service for learning platforms, having demonstrated the quality and value for money of its service. With thousands of clients and supporting over 3 million end-users, its products and services help schools, businesses, healthcare providers, government organizations and not-for-profits to make the most of the web.

The Cegos Group deploys a global offering, including turnkey and tailored training and development, operational consultancy, Digital Learning, Managed Training Services, international training projects, and certificate or diploma courses. Running its own operations in 11 European, Asian and Latin American countries, Cegos is also active in over 50 countries through its network of partners and distributors, which are all leading e-learning solutions providers. Thanks to this network, its Catalogue on Soft Skills has 2.5 millions of learners per year.

Conor Gilligan, Vice President EMEA of Webanywhere, explains: *"Cegos is a leading corporate learning provider, with over 100 years' experience in the training industry. This partnership will allow us to further support our clients building learning technology solutions across the world. A recent study by Harvard Business School found that leadership and development training had a 94% impact on financial performance of businesses, and we want to be a part of that success."*

Pascal Debordes, head of Channels and Alliances at Cegos Group, adds: *"We are really excited to start this new partnership with Webanywhere, a fast growing company. Our companies share the same values and ambition, and were already working together before this alliance. This partnership is a step forward and will help us to accelerate the development of our e-learning business, especially in EMEA and North America."*

About the Cegos Group

Created in 1926, the Cegos Group is a worldwide leader in training and development. The Group now runs its own operations in 11 European, Asian and Latin American countries. It is also active in over 50 countries through its network of partners and distributors, which are all leading training providers and top-tier technology experts.

With 1,000 employees and more than 3,000 partner consultants, the Group trains 250,000 people around the globe every year and generates sales of €200 million.

Cegos deploys a global offering, including turnkey and tailored training and development, operational consultancy, Managed Training Services and international training projects. Its "blended learning" approach aims to provide the most suitable and competitive learner experience, by combining multiple learning formats (classroom training, e-learning modules, videoconferences, webcasts, e-training programmes and more).
